STUDENTS' VOICE

Ranjitha Raj (ECE - 2019)

Jaro Education - Salary : 12 LPA
Career Development Executive

The tremendous recognition and appreciation I received from my department propelled me to hit the stars, right at the launch of my career (being placed in Jaro Education and L&T). The managerial skills inculcated in my life during the Four years in SGIT are irreplaceable.

Nandhini J (CSE - 2019)

Wipro - Salary : 3.50 LPA
Project Engineer

SriGuru Institute is good at education. The Management and the trustees help the students in their placements and provide their supports for the students in their career

Manjula K (CSE - 2019)

Tata Consultancy Services (TCS) - Salary : 3.36 LPA
Assistant System Engineer - Trainee

The deep faith in the dictum "One's own reaction to, observations about and understanding of something are more important than someone else's opinion about it.", became the cornerstone of SriGuru and this cherished conviction inspired and guided me to spread my wings to fly.

Kousalya S (ECE - 2019)

Infosys - Salary : 3.25 LPA
Graduate Engineer - Trainee

I have been blessed with adequate placements due to my college's effort and support. The quote, "Do not judge a book by its cover" suits my college well. The education, concession and extra-curricular activities provided are numerous.

Manjuladevi M (EEE - 2019)

Larsen and Toubro Infotech (LTI); - Salary : 3.18 LPA
Graduate Engineer - Trainee

Starting work in a new field can make for a scary situation, but the professors and student mentors were consistently available for assistance, providing a friendly and supportive environment in which to learn.

Manjula S (CSE - 2019)

Hexaware - Salary : 3.00 LPA
Software Engineer Trainee

The placement team delivered a brilliant service with respect to student placements. They helped us a lot to understand the recruiter needs, trained us and facilitated us with the right set of opportunities. I would like to thank the whole SriGuru team.

Dharani Prabhu N (ECE - 2019)

Innovator

I like the fact that the instructors are very friendly and willing to help. They support our innovative ideas and provide fund for students. Our placement cell gave us good exposure about many companies and accordingly gave us good training to crack interviews. Our college has "Centre Of Excellence" where we have five start-up companies and develop new products."

Gunasekar S (MECH - 2017)

Entrepreneur

My college is my first knowledge hub. In my 3rd year of engineering I joined the Entrepreneurs' Club, which trained me for business and encouraged me to start a business. I learned a lot of things in business strategies the Cell qualified me for business.

Swathi K (CIVIL - 2017)

(Pursuing M. E. in Civil Engineering)

I chose to get into the field of Engineering with the aim of doing my doctorate in my discipline. My college was helpful in study purposes and project making. It helped me get internships and coaching for higher studies. The constant encouragement given by our department made me crack my entrance examination and get into PG studies.

Chandraprabha S (EEE - 2019)

(Pursuing M. E. in EEE)

Our world is a global village where education plays a very crucial and wide role in every person's life. When I saw the facilities in the college, I was impressed by the infrastructure. All the four years I was trained in my specific subjects by the most efficient faculty members for which I am extremely grateful to all my faculty members. I feel extremely honored to call myself a part of this prestigious institution.

Why study in Coimbatore? _____

- Educational Hub
- The most Serene, Healthy & Pleasant place to live in TN
- India's most flourishing Engineering destination in TN
